

BUSINESS ADMINISTRATION M.B.A.

The MBA program complements the strong group of accounting, management, and international business programs currently offered at the undergraduate and graduate levels at D'Youville. Students choosing the online-only format complete accelerated asynchronous online-only courses every eight weeks and may register for more than one course at a time. Students may also change from online-only to on-campus or on-campus to online-only at any time. Students requesting such accommodations should make their requests to the chair of the business department.

The D'Youville MBA program is accredited by the International Accreditation Council for Business Education (IACBE). (<http://iacbe.org/>)

The professional and educational objectives of the program are to build on the students' undergraduate work by enhancing their knowledge and understanding of business functions through practice, application and professional development for careers as corporate managers as well as administrators and coordinators at government agencies and non-profit organizations and to move beyond cognitive knowledge toward in-depth analysis and practice in management and related disciplines.

Admission to D'Youville University MBA program is competitive. The selection process attempts to identify qualified applicants who will benefit most from the wide variety of academic and extracurricular programs the university offers.

1. D'Youville University maintains a "rolling admissions" policy whereby applications are processed continually throughout the year. Decisions under rolling admissions are normally mailed within three weeks after the MBA office receives and recognizes all necessary forms, test scores and transcripts.
2. Acceptance is conditional until all required documents and final semester/year grades have been submitted and approved.
3. A non-refundable reservation deposit of \$100 must be paid in U.S. funds by the required deadline and/or time indicated on the acceptance letter or acceptance may be withdrawn and offered to another qualified candidate. This deposit will be applied to the first semester's tuition.
4. The student will provide documentation or records of immunization as required by New York state law prior to registration. The university reserves the right to refuse a student admission to classes for failure to comply with this policy.
