

MARKETING/BUSINESS ADMINISTRATION B.S./M.B.A.

The B.S. Marketing/MBA is a combined degree path that allows a student to earn both a Bachelor of Science degree in Marketing and a MBA at an accelerated pace. Current D'Youville B.S. Marketing students are eligible for this combined degree path and can be admitted by submitting a change of major form to the Chair of the Business Department. Transfer students are also accepted to this combined pathway and are required to complete a minimum of 50% of the major coursework at D'Youville University and can transfer no more than nine graduate credits. This accelerated degree pathway allows students to take three MBA courses while they are undergraduate students. These three courses (nine credits) double count toward the undergraduate B.S. degree as well as toward the MBA degree. Students who enter this program as undergraduate students and who maintain good academic standing do not need to reapply for the graduate program and transition to graduate-only MBA courses after the completion of their B.S. Marketing degree.

Both the B.S. Business Management and the MBA at D'Youville are accredited by the International Accreditation Council for Business Education (IACBE). (<http://iacbe.org/>)

Students who pursue the combined BS Marketing/Master of Business Administration pathway must meet all graduation requirements for each individual degree. For specific information regarding the course requirements please visit the Academic Catalogue for each individual degree program. Students in this pathway will complete three MBA courses (MBA 501, MBA 603, MBA 604) in their senior year. These three courses (nine credits) double count toward fulfilling both undergraduate and graduate degree requirements. In the case of the undergraduate degree (BS) these courses count as management electives (nine credits).

Note: The MBA program consists of 36 graduate credits offered in two separate formats - Saturdays face-to-face on-campus and asynchronous online-only. Students who pursue the BS Marketing/MBA combined degree pathway may choose to complete their MBA courses in either format. Students in the Saturday-only face-to-face on-campus format complete courses one-at-a-time at an accelerated pace every five weeks. Students choosing the online-only format complete accelerated asynchronous online-only courses every eight weeks and may register for more than one course at a time. Because the curriculums are the same between these two programs it is possible for online-only students to choose to take one or more Saturday-only courses and for Saturday-only students to take online-only courses.
