

CONTINUING REGISTRATION IN THESIS/PROJECT ADVISEMENT

Registration in Thesis/Dissertation Advisement required for those students completing a thesis or dissertation. Those who have completed all coursework including successful completion of the program's minimum number of thesis or dissertation advisement credits but who have not completed the thesis or dissertation and/ or publishable paper must continue to register for Thesis/Dissertation Advisement until complete. Graduate students must be registered during the semester in which they receive their graduate degree.
