

# ATTENDANCE

---

Students are expected to attend all regularly scheduled classes. Each instructor may determine the requirements for class attendance within specific courses; the requirements should be clearly stated at the beginning of each semester. Faculty are requested to notify the Student Success Center (<http://www.dyc.edu/campus-life/support-services/centers/student-success.aspx>) if a student has never attended or stops attending a class.

Students may not attend a class they are not registered for or “force register” by appearing in a class.
