

CANDIDACY FOR GRADUATION

To be eligible for a baccalaureate degree, a student must fulfill all general education, liberal arts and science and major requirements, earn an overall grade point average of 2.0, complete at least 30 undergraduate credit hours (15 credit hours for associate degrees) at D'Youville and half of the credits required for their major courses must also be completed at D'Youville. The minimum number of credit hours required for any degree is 120 at the undergraduate level. Individual majors may require a greater number of credits and/or a higher grade point average.
